

# FLORA'S ROOM

2D AND 3D ANIMATION STUDIO

## PROFILE

Flora's Room is a company that provides services in the animation industry for short films, developing feature films and series, music videos, and advertising.

In 2022, Flora's Room Srl became a school that provides different levels of drawing and animation education for children and training for teachers.

We believe in the power of animation as an educational and awareness-raising tool.
