

Combatting Media & Information Illiteracy to Raise Good Citizens

N 2021-1-PT01-KA210-SCH-000031494

Erasmus+ is the EU program for education, training and sport in Europe

The 2021/27 program places a strong emphasis on **social inclusion**, on **green and digital transition** and on promoting youth **participation to democratic life**

It supports the activities and priorities established in the European Education Area and in the **digital education plan**
