Arriving in S. Felipe in search of work, a man is hired by the richest landowner in the area, Mr. O'Brien, whose niece is engaged to George, an inept dandy. The real activity of Mr O'Brien, however, is that of the leader of a gang who has been terrorizing the area for some time by assailing the stagecoaches that bring the gold destined to the bank. The criminal actions of the band are suddenly hindered by the appearance of a mysterious masked knight...
